# M. Dominic Ross

Ann Arbor, MI | michros@umich.edu | (248) 860-5692 | LinkedIn

## Education

**University of Michigan, *College of Literature, Science and the Arts* and *Ross School of Business*** Aug. 2022-Dec. 2026
**Bachelor of Science in Computer Science and Cognitive Science** *(Computation & Decision Tracks)*
*Minors:* Business, Philosophy, and Entrepreneurship

- **GPA**: 3.7 | University Honors
- **Gilman Scholar (NCE Status):** Recognized for academic excellence and global engagement.
- **Study Abroad – Copenhagen, Denmark & Aalto University, Finland**: Studied international strategy at Aalto, collaborated with a Copenhagen startup on climate challenges, and led an entrepreneurial simulation to a VC pitch.
- **S-STEM, MaCSS, and M-STEM Scholar Programs***:* Selected for competitive academic cohorts emphasizing probability, data analysis, and STEM professional development. Completed a four-week discrete probability institute and a five-week outreach program integrating technical learning with community engagement, and presented an N-gram language-predictor model representing U-M at the S-STEM Scholars Meeting.
- **Relevant Coursework**: Artificial Intelligence, Data Structures & Algorithms, Decision Processes, Minds and Machines, Discrete Math, Mobile App Development, Computer Organization, Database Management Systems

## Work Experience

**Finance Lead (Co-Founder) | SolStove – Ross Impact Studio, University of Michigan** *Sept. 2024 – Pres.*

- Lead financial strategy for a social venture expanding clean-cooking access across Guatemala through pay-as-you-go induction stoves lowering upfront barriers for low-income families.
- Built and maintained a comprehensive pro forma financial model validated with Ross MBAs and BCG consultants to guide grant funding, investor outreach, and long-term scalability planning.
- Governed unit economics and modeled affordability mechanisms, securing $500 Fuel JumpStart grant funding.

**Project Manager | Net Impact Consulting (University of Michigan Chapter)** *Sept. 2024 – Pres.*

- Lead a team of eight in a stakeholder-focused consulting engagement helping a client expand outreach and sales.
- Oversaw client communication, deliverable timelines, and weekly team meetings to generate actionable insights.
- Ensure quality through task delegation, feedback loops, and alignment with professional consulting standards.

**Sales Planning Intern | Toyoda Gosei North America** *May. 2025-Aug. 2025*

- Developed SQL-based automation solutions to streamline manual workflows and enhance backend data systems, saving 100+ hours annually while improving company-wide data accuracy and reliability.
- Cleaned and reconciled tens of thousands of purchase order records, implementing quality checks that caught duplicates and inconsistencies, boosting forecasting accuracy for Sales Planning managers.

**Instructional Aide, ENTR 410: Finding Your Venture | University of Michigan** *Aug. 2024-Pres.*

- Managed grading and communications, ensuring students stayed on track with assignments and deadlines.
- Utilized game theory to develop an easy and effective attendance system, reducing false check-ins by 75%.

**Co-Founder & Leader | LastBite** *Feb. 2024-May 2024*

- Founded a startup reducing food waste by linking restaurants and consumers in a surplus-food marketplace.
- Partnered with three restaurants and headed a five-member team through ideation and prototype development.

**Research Intern | Randall Laboratory, University of Michigan** *June 2023-Aug. 2023*

- Enhanced fruit fly wing detection models using machine learning techniques, doubling model precision for automated image analysis and improving data pipeline efficiency.

*Oct 2022 – Apr 2023*

**Assistant Researcher – Undergraduate Research Opportunities Program (UROP)**

- Consolidated and validated 12 behavioral-science databases, improving data integrity and presenting key findings at the U-M Undergraduate Symposium to faculty and peers.

## Leadership & Activities

- **Entrepreneurial Leadership Program (≈10% acceptance rate):** Selected for Michigan's flagship venture-development fellowship integrating mentorship, leadership training, and real-world venture consulting.
- **Captain – Intramural Soccer & Volleyball Teams:** Led three teams to multiple league and overall championships.
- **Peace Corps Prep Program:** Selected for the University of Michigan's program emphasizing leadership in social impact, intercultural competence, and community-driven development.
- **Michigan Bodybuilding Club:** Created a vegan training plan and achieved measurable strength and hypertrophy.
